**DECEMBER 7-10, 2017**

Jesús Rafael-Soto, *Vibración, Bastones con Rojo*, 1964. Mixed media, polychromed wood and metal, 20.1 x 40.16 x 5.1 in.

For Art Basel 2017, Sicardi Gallery will present an exhibition of sculpture, paintings and drawings by mid-century avant-garde artists from Argentina, Brazil, Europe, and Venezuela. The proposal features rarely seen works by, among others, Antonio Asís (b. 1932, Argentina), Carlos Cruz-Diez (b. 1923, Venezuela), Manuel Espinosa (1912-2006, Argentina), León Ferrari (1920-2013, Argentina), Franciso Sobrino (1932-2014, Spain/France), Jesús Rafael-Soto (1923-2005, Venezuela), and Luis Tomasello (1915-2014, Argentina). The exhibition demonstrates the cross-pollination of non-figurative avant-garde ideas among countries in South America and Europe.
